

Discovery Museum is an inclusive, hands-on museum, committed to ensuring full access for all visitors.

Through our Open Door Connections programs, we provide engaging, open-ended learning opportunities to children of all ages, abilities, cultures, learning styles, and financial circumstances.

This includes free Especially for Me events for families with disabilities, \$1 EBT Card To Culture admission, free educator and active duty military admission, select free Friday nights, discount programs, and more.

Tips for Visiting

- Educators, support professionals, and therapists accompanying clients receive free admission with a professional ID.
- Free and discounted admission details are on the Ways To Save page on our website.
- A Sensory Guide and Story Guides are available on our website and at the Admissions Desk.
- Noise-reducing headphones are available to borrow.
- If your child uses an assistive hearing device, you may want to bring a water-resistant cover for use in our Water Gallery.

Especially for Me

These free, capacity-limited events let families play and network together in an understanding environment. The event titles indicate the types of accommodations provided, but any family who would benefit is welcome. Pre-registration through our website is required for:

- Sensory-Friendly Afternoons
- Autism-Friendly Evenings
- Mornings for Deaf, Hard of Hearing, KODA Infants, and Toddlers
- Evenings for Deaf, Hard of Hearing, and KODA children
- Visually Impaired Family Evenings

Discovery Museum

The museum building and exhibits are accessible, developed according to Universal Design principles to be useable by the widest range of people. Two elevators serve three floors. There is a family restroom and a private nursing space.

Discovery Woods

Discovery Woods is a one-acre accessible nature play space. Its treehouse and adventure path are accessible to those using a wheelchair.
