

Science & Engineering Communication Fellowship Short Course Application: Fall 2022

Name:
Employer or Affiliated Institution:
Position:
Phone number:
Email address:
Professional memberships:

Briefly describe your current work, science research, or area of expertise:

Why are you interested in participating in this program?

Professional development workshops will prepare Fellows to present public programs at the Museum.

- Attend two professional development workshops at Discovery Museum
 - **Saturday, October 22 and Saturday, November 5 from 10:00am – 3:00pm**
- Consult with education professionals to develop a hands-on activity related to your work, and test your hands-on prototype with Discovery Museum educators
 - **November through early December**
- Meet with the public and share your research and activities during a Free Friday Night for Museum visitors!
 - **Friday, December 2 from 5:30pm – 7:30pm (please reserve 5:00pm-8:00pm to accommodate set-up and take down)**

I understand and agree to the commitments above.

I cannot commit to the upcoming session, but I am interested in learning more.

Please submit application to Elizabeth Leahey, Director of STEAM Education, by Monday, October 3, 2022. Please send application and any questions via email: eleahey@discoveryacton.org. Space is limited. Due to our work with children, successful applicants are required to complete a satisfactory Criminal Offender Record Information (CORI) background check. All applicants in the Fall 2022 cohort must provide proof of full vaccination against COVID-19.
