DISCOVERY GALA IS ABOUT *KIDS AND THEIR FUTURE.*

We're leading the way by focusing on the future of childhood while serving the kids of today. We advocate for the issues that will most define the lives of children as they grow—like equity and representation, climate change and sustainability, and civic engagement.

DISCOVERY GALA IS ABOUT *COMMUNITY.*

We can't wait to introduce you to some of our community partners and show you the many ways Discovery Museum reaches out to serve children and families beyond our walls.

DISCOVERY GALA IS ABOUT *MAKING A DIFFERENCE.*

Wear your jeans and bring your curiosity, knowing that your support will go directly to programs that benefit the kids and families of our region. Our on-site-solar-powered Gala will have a uniquely low environmental impact, and we'll purchase carbon credits to offset the vehicle emissions of all our guests.

WHAT WILL YOUR IMPACT BE?
